- B.P.Ed 44
- M.P.Ed 44

Law
- B.A.L.L.B. (Hons) 5 years Integrated Course 45

Short-Term Certificate Courses 46
The society today is in the grip of the most gruesome moral depravity and all around us we see young people succumbing to the evil forces rampant everywhere. So, all of us must hold fast to this *Ved Mantra* as it lights up the darkest recesses of our hearts and fills them with the light of enlightenment, which is what we seek through our association with DAV.

DAV combines in itself the best of two schools of thought—the profundity of Vedic wisdom and the modernity of western thought, knowledge and technology. Therefore, our goal is very clear: through every DAV institution, we are to provide education that enables our children not only to excel in the multifarious professions of their choice, but to develop within them such sterling qualities as will give shape to a more just and egalitarian society.

We are to set and achieve the highest standards in education in pursuit of our mission which is man-making. Let us renew our commitment to excellence, enrichment and selfless service which was embodied by Mahatma Hans Raj Ji, Gurudutt Vidyarthi Ji and many other stalwarts in the creation of DAV institutions.

Let us, as part of DAV organization, empower our youth so that not only do they become competent professionals who can use the globe as their stage but also the finest human beings who can discriminate between right and wrong and strive fearlessly to restore what is just even in the face of the most challenging situations. Let us impart education in its truest sense. Before the gloom that envelops us turns into bleak darkness, let us usher light in our souls by cherishing and adhering to the message from the *Yajur Veda* and endeavour to become instruments of peace, positivity and felicity. Here, we envision the creation of excellent human-resource through the integration of multi-dimensional Personality Development Programs with the University curriculum in order to produce world-class professionals.

Our four main educational goals are:
- **Humanized Education** (to educate an individual to be an intellectual with strong moral character).
- **Socialized Education** (to educate an individual who can willingly serve the community).
- **Specialized Education** (to foster creativity, well-balanced with practicality).
- **Globalized Education** (a forward-looking global-minded individual).
DAV UNIVERSITY, Jalandhar is promoted by DAV College Managing Committee (DAV CMC), New Delhi – India’s single largest non-governmental educational organization managing more than 900 institutions in the country.

The University traces its roots to the legacy that has been reforming and redefining India’s educational scenario for more than 130 years.

The University has been established by a Legislative Act of the Punjab Government and is recognized by University Grants Commission (UGC) and National Council for Teacher Education (NCTE).

DAV University – a multi-disciplinary institution – is the culmination of the movement that started with the founding of the first DAV School in Lahore on June 1, 1886 to propagate the ideals of a religious and social reformer Swami Dayanand Saraswati.

Spread across an area of about 72 acres, it provides an ideal ambience for pursuing professional courses and ensuring all-round development of students.
Welcome to DAV University!

DAV University, one of India’s best institution carrying forward the 133 years of legacy of quality education, offers opportunities for outstanding academic ambience, recreational, sporting, co-curricular and excellent placements. Here, students enjoy a perfect balance between high educational standards and a lifestyle coupled with Indian ethos and modernity.

DAV University is committed to excellence in higher education and research, and producing finest human-beings with highest quality scientific minds engaged in eternal quest for infinite knowledge and solving problems of mankind.

We aim to build top quality intellectual capital by constantly inspiring young minds to learn and enjoy the excitement & adventure that education offers; create a vibrant culture integrating world-class education and cutting edge research with a focus on higher learning for Indian and foreign youth; inculcate amongst students and faculty, healthy habits of self-reliance to face challenges of life while ensuring welfare of all life forms and life support systems, activate creative instincts, motivate independent thinking, develop inquisitive minds and to nurture a sense of integrity, ethics, uncompromising honesty, democratic values, respect for human rights and deep concern for the under-privileged sections of society.

We at DAV University understand that success is based on high quality courses, good facilities, friendly ambience and dedicated academic staff. Here, we practice what we teach and our students can count on full support of faculty and administration.

One of our strength is the integrated and choice-based courses that guide the students to graduate in subjects they want to specialize in at post-graduate level and continue to create further knowledge through research. The innovative courses so designed also save precious time, money and energy of the students while they remain focused to the field of their choice.

In order to strike a balance between academic pursuits and leisure, the University offers clean and green surroundings together with good sporting and extracurricular facilities.

Let me assure you that the campus will offer you a safe, friendly, nurturing environment to shape you into a perfect and successful citizen.

Dr. Rakesh Kumar Mahajan
FNASc
Vice Chancellor
DAV is proud of its more than 40,00,000+ Alumni across the world

YOU COULD BE THE NEXT
Why DAV University?

1. DAV - SINGLE LARGEST NON-GOVERNMENT EDUCATIONAL TRUST IN INDIA
2. WELL-EQUIPPED LABS

Training & Skill Development

Arjun Mahajan (B. Tech CSE)  
Wipro Technologies (3.5 LPA)  
DAV University is very positive which makes our career growth a good kick start.

Mohit Bains (MBA)  
Think and Learn Pvt. Ltd.  
DAV University management and leadership improved my ability to turn ideas into reality.

Shivam Katoch (MBA)  
Bajaj Allianz General Insurance (5.43 LPA)  
I developed my academic skills but also got an exposure in managing major events of the DAV University.

Divya Sammi (MBA)  
Kotak Mahindra Bank (3.5 LPA)  
DAV University brings a lot of opportunities and takes us closer to our dream jobs.

Training Modules Offered

- SAP (Germany) Trainings Certifications
- Training of soft skills in industry
- Psychometric testing by professionals
- Optimization tools using MATLAB
- Trainings on Hadoop softwares
- Implementations of data mining
- Training on Database management systems
- Training and seminars on cloud computing
- Research and innovations on mobile apps
- Certifications on AutoCAD
- Advance courses on Microsoft Excel
- Training on the use of SPSS
- Trainings on utilization of machine tools
- Training on embedded systems
- PS/Spice & NI Multisim

Pre-placement Initiatives

- Interactive sessions with experts from various fields.
- Guest lectures by CEO’s, senior HR Managers and Industry stalwarts
- Training by experts prior to final interviews and help in the following:
  - Identification of Opportunities
  - Resume building
  - Group Discussions
  - Written Tests
  - Mock Interviews
  - Curriculum Review Sessions
  - Aptitude and Soft skills development
  - Appearance and Dress Code
  - Body Language

Pooja Rani (B. Tech CSE)  
TATA Consultancy Services (3.5 LPA)  
DAV University helps us to learn all soft skills that are highly required.

Ragani Chadha (MBA)  
I always aspired to become a banker and this happened due to the efforts made by the faculty and placement cell at DAV University.

Nishit Gunjal (Mech.)  
Indigo Airlines (2.4 LPA)  
Many technical workshops helped me to secure my dream job.

Palak (B.Tech CSE)  
Wipro (3.5 LPA)  
DAV University trains us to utilize best and have a glorious life.
Corporate Resource Centre (CRC)

DAV University has set up Corporate Resource Centre (CRC) for training and personality development of the students. It ensures internships and preparation for on-campus placement of students pursuing various professional courses.

Role of Corporate Resource Centre

- It acts as an interface between the students, faculty and the corporate world.
- Maintains continuous interaction with the industry.
- Shares latest industrial trends and insights with students.
- Invites professionals serving leading corporate brands to the campus to interact with students.
- Arrangement of internships.
- Maintenance of progress record of students undergoing industrial training/internship.
- Testing the theoretical and practical concepts of students.
- Arrangement of industrial tours.
- Networking with the DAV's alumni for creating career opportunities.

DAV Academia-Industry Synergy Hub

DAV University Jalandhar has established DAV Academia Industry Synergy Hub – a unique platform to promote research and development activities in association with the industry. The synergy hub has several prominent industrialists, professionals and experts on board. The members of the synergy provide opportunity to DAV University students for undergoing industrial training and seek placements in industries managed by them.

Advanced Library

DAV University has made a major investment in setting-up state-of-the-art library and related infrastructure. Main Library is established in a spacious area.

**Computer Facility**

DAV University has installed more than four dozen computers in the Central Library for facilitating studies, access to e-journals and project work of students pursuing education.

**Internet Connectivity**

The University library is connected to the internet to help students to access online journals & course material. The University is planning to join INFLIBNET Consortium.

**Reference Books**

The University has more than 15,000 reference books purchased from noted publishers including Oxford Press, McGraw-Hill, Pearson, Wiley Eastern and Cambridge.

**E-Resources**

The University has access to Delnet for providing world-class e-resources to students. It helps them in keeping pace with global innovations and research.

**Library Timings**

Prospectus 2019-20 14
**Infrastructure**

**Security**

Security of students, especially that of girls, has been the utmost priority of the DAV University. The students, staff and visitors get access to the campus only after verification of their identity.

**Transportation**

The University has introduced comfortable buses for ferrying students staying outside the campus. All government buses also halt on both sides of the highway in front of the University.

**Banking Facility**

State Bank of India - the leading bank of the country – has set up its branch on the campus of DAV University, Jalandhar. The students pursuing education at the University can open their savings bank accounts with zero balance facility to keep their money safe and carry out financial transactions including the payment of fee etc. Account number of DAV University for online or cash transfer is 33004567006, Bank Code is 16307 and IFSC Code is SBIN0016307.

**DAV University Information System (DAVIS)**

DAV University relies on an innovative information system (DAVIS) that keeps students updated with latest information on the campus and outside it. The online system also informs students about placement opportunities & apprising parents of their wards’ progress.

**Medical Facility**

The students at DAV University have access to primary medical facilities. Apart from on-campus medical facilities, the University has a tie-up with Capitol Hospital – a renowned multi-speciality set up in Jalandhar to provide health care to students, if needed. The University also has an ambulance to meet any emergency round the clock.
Advanced Labs
& Training

Engineering Labs

Practical training and classroom teaching are integral and DAV University has set up well-equipped engineering labs and workshops having modern equipment and facilities for Civil, Electrical, ECE, Chemical and Mechanical Engineering.

Science Labs

Pedagogy and research in science subjects are major areas of emphasis at DAV University. It has set up separate labs for subjects including Botany, Zoology, Physics, Chemistry, Biotechnology, Biochemistry and Microbiology.

Media Lab

The University has set up a media lab for training students in photography, videography, anchoring and non-linear video editing on professional software and high-tech machines.

Language Lab

DAV University has set up state-of-the-art language lab. These audio-visual installations are used as an aid in modern language teaching and a teacher works synchronously and ‘live’ with students; thus enhancing the learning experience.

Research Labs

The University has established advanced laboratories to facilitate research in engineering and applied sciences. These labs are meant to be used by Ph D Scholars and PG students.

Agriculture Labs

The University has set up laboratories and experimental fields for improvising practical training to Agriculture students. The courses in Agricultural Sciences are in demand world-wide and the students of DAV University through classroom teaching and practical training by their involvement in programmes like Rural Area Work Experience, are being prepared for securing placements.
Infrastructure

Advanced CAD Lab

The University has established Computer-Aided-Design (CAD) lab on the campus. The new CAD lab facilitates advanced training to students and faculty members in association with the industry.

Software for Practical Training

- Microsoft Visual Studio Pro
- Oracle
- Corel Draw Graphic Suite X8
- Adobe Creative Cloud
- Embarcadero C++ Builder
- Bentley Academic Select
- Staad Pro v8i
- Mentor Graphics HEP-1 Suite
- Xilinx ISE Design Suite
- Creo Design & Modelling Software
- MSC Nastran software for analysis of structures, fluid flow, heat transfer etc.
- Design Expert software for process modelling, analysis and optimization.
- MATLAB multi-paradigm numerical computing environment and fourth-generation programming language.
- Simulink graphical programming environment for modeling, simulating and analyzing multi-domain dynamic systems.
- Communication System Toolbox
- Control System Toolbox
- Curve fitting Toolbox
- Data Acquisition toolbox
- Wavelet Toolbox
- DSP System Toolbox
- Filter design HDL Coder
- Fixed-point Designer
- Fuzzy Logic Toolbox
- Image Acquisition toolbox
- Image processing toolbox
- Instrument control toolbox
- Matlab Coder
- Neural Network Toolbox
- Optimization toolbox
- Parallel computing toolbox
- Partial differential equation toolbox
- RF toolbox
- Signal processing toolbox
- Sim electronics
- Sim power systems
- Sim RF
- Bioinformatics Toolbox
- Simscape
- Statistics Toolbox

Industrial Visits

Six-week summer training programme in association with the Industry experts and students visit to Industrial establishments are regular features of the curriculum of some of the departments at DAV University. These visits help them understand application of what they study in classrooms.

Institutional & Professional Collaborations

- Institution of Electronics and Telecommunication Engineers (IETE)
- Central University of Punjab (CUP)
- Student Branch of Computer Society of India (CSI)
- Semi-conductor Laboratory
- Centre for Development & Advanced Computing, Mohali
- NSDL Database Management Limited

Faculty Development

DAV University holds Faculty Development Programmes (FDP) for the faculty members to update them with the latest innovations and development in their respective fields. The faculty members from other institutions also participate in these programmes which helps exchange of ideas between them and the members of DAV University faculty.
Boys’ & Girls’ Hostels

DAV University has set up secured hostels with all modern amenities including hygienic kitchens, lifts, recreation rooms, indoor-game areas and well-equipped rooms. The students have a choice to opt for AC accommodation.

Students’ Centre

The University has made provision for tuck-shops, books and stationery shops, food kiosks on the campus for meeting routine requirements of students residing in the hostels.

Fitness & Recreation Facilities for Hostellers

The students residing in the hostels have been provided with state-of-the-art gymnasium. The students are encouraged to play badminton, table-tennis and carrom during their leisure moments with a view to channelize their energy towards constructive pursuits. Indoor games/ sports facilities are available on the campus and inside the hostels. The University has provided common rooms with LCDs and DTH connections in the hostels.
DAV University has a robust set of systems and practices that nurture holistic growth of the students. In addition to providing daily support and engagement, the Dean of Students’ Welfare organizes various cultural activities to prepare the students for real life and strengthening their personal and artistic skills. As we have students from various states, the extra-curricular activities bring cultural awareness of the different parts of the country. Cultural activities lead to the development of soft skills such as resource management, public speaking, moral ethics and sharing the responsibilities. To inculcate such virtues, the University celebrates all the traditional festivals and also organizes Spectrum – Talent Hunt, Youth Flair- Inter School Competitions, DAV Utsav: inter-department, inter-college and inter- University competitions. The University also provides the students opportunity to interact with the prominent singers, poets, artists and eminent personalities from time to time.

Kala-Utsav
DAV University celebrated KALA- UTSAV in collaboration with Punjab Art Council. Eminent poet SurjitPatar, prominent folk singers PammiBai and SukhiBrar enthral at DAV

Sports
Physical Education & Sports is an important component nowadays to lead a healthy lifestyle. The inclusion of regular fitness activity helps students to maintain fitness, improve cardiovascular health and functioning of physiological processes. It improves motor skills and helps in the enhancement of reflexes. Physical education teaches discipline, improves all round development of students and helps relieving stress.

NCC
DAV University encourages students to opt for National Cadets Corps. The NCC Cadets have been excelling in their respective fields.

NSS
The motto of the National Service Scheme is “Not Me But You”, which reflects selfless service and the welfare of society on the whole. It aims at personality development of students through community service. NSS at DAV University tries to fulfill this aim and motto national service scheme. We have regular as well as SFU NSS units. NSS in our university is also a part of the regular teaching programme. We are highly focused at Swachcha Bharat mission. Visit to orphanages, cleaning drive at rivers and nearby villages, plantation drives, blood donations etc are some of the main programme run by NSS units.

Yoga
Yoga is essentially a spiritual discipline based on an extremely subtle science, which focuses on bringing harmony between mind and body. It is an art and science of healthy living. Yoga is first and foremost path to attain the freedom from all the bondages. One of the important by-product of yogic way of living is attaining health and well-being. The most important benefit of yoga is balance between our physical and mental conditions. Yoga has immense positive effect on our mental well-being.

Note: The University also offers Ph D in different streams. Please refer to www.davuniversity.org for details.
The Department of Chemical Engineering focuses on producing professionals capable of sustaining in global competitive environment. The department has highly qualified and experienced faculty driven by passion for research and teaching. Well-equipped laboratories complement classroom teaching and add to students’ practical skills.

Laboratories cover fluid flow, heat transfer, mass transfer, reaction engineering, chemical technology, design and simulation. Regular industrial visits and trainings are incorporated in the curricula to give students a hands-on experience of the industrial life. The same is intended to adapt them to the future professional environment.

Courses & Eligibility

- Bachelor of Technology (B Tech) in Chemical Engineering
  - Duration
    - B Tech: 4 years
    - B Tech (Lateral Entry): 3 years
  - Eligibility
    - B Tech:
      - Passed 10+2 examination with Physics, Chemistry and Mathematics as compulsory subjects with atleast 45% marks (40% marks in case of candidate belonging to SC/ST) in the above subjects taken together.
    - B Tech (Lateral Entry):
      - Passed diploma examination from an AICTE approved Institution with at least 45% marks (40% marks in case of candidates belonging to SC/ST) in appropriate branch of Engineering/ Technology.
      - Passed B.Sc. degree from a recognized University as defined by UGC, with at least 45% marks (40% marks in case of candidates belonging to SC/ST) and passed 10+2 examination with Mathematics as a subject.
      - Provided that the students belonging to B.Sc. stream shall clear the subjects of Engineering Graphics/ Engineering Drawing and Engineering Mechanics/ or equivalent of the first year Engineering Programme along with the second year subjects.
      - Provided that the students belonging to B.Sc. stream shall be considered only after filling the supernumerary seats in this category with students belonging to the diploma stream.

Medium of Instruction
English
Bachelor of Technology (B.Tech.) in Civil Engineering

The Department of Civil Engineering has designed its graduate and postgraduate programmes keeping in view the competitive scenario of civil engineering across the globe. The syllabi incorporate design standard of latest infrastructural models. In addition to classroom teaching, practical component is given due consideration. The Department has set up different laboratories including Strength of Materials Laboratory, Geotechnical Engineering Laboratory, Surveying Laboratory, Hydraulics Engineering Laboratory, Theory of Structure Laboratory, Transportation Engineering Laboratory, CAD Laboratory, Design of Concrete Structure Laboratory and Environmental Engineering Lab.

Courses Offered & Eligibility

- **Bachelor of Technology (B.Tech.) in Civil Engineering**
  - **Duration**: 4 years
  - **Eligibility**: Passed 10+2 examination with Physics and Mathematics as compulsory subjects along with one of the Chemistry / Biotechnology/ Biology/ Technical Vocational subject. An applicant should have secured at least 45% marks (40% marks in case of candidates belonging to SC/ST) in the above subjects taken together.

- **Master of Technology (M. Tech.) in Structural Engineering - Full Time**
  - **B.Tech (Lateral Entry)**: 3 years
  - **M.Tech (Full Time)**: 2 years

- **B.Tech. (Lateral Entry)**
  - Passed Diploma examination from an AICTE approved institution or equivalent with at least 45% marks (40% marks in case of candidates belonging to SC/ST) in appropriate branch of Engineering/Technology.

- **M.Tech**
  - Passed B.Sc. Degree from a recognized University as defined by UGC, with at least 45% marks (40% in case of candidates belonging to SC/ST) and passed 10+2 examination with mathematics as a subject.

- Provided that the students belonging to B.Sc. stream shall be considered only after filling the supernumerary seats in this category with students belonging to the diploma stream.

- Provided that the students belonging to B.Sc. stream shall clear the subjects of Engineering Graphics/Engineering Drawing and Engineering Mechanics/ or equivalent of the first year Engineering Programme along with the second year subjects.

- **Medium of Instruction**: English
The Department of Computer Science and Engineering provides opportunity for innovation and research to students. The department has dynamic and well-qualified faculty members. The curricula are prepared in conformity with the contemporary and futuristic development in computer technology. The syllabi are updated regularly to keep up with the growing demands and the changing trends of the software industry and research laboratories all over the world. The faculty has expertise in Systems and Computer Networks, Algorithms and Theoretical Computer Science, Software Engineering, Information Systems including databases and Computer Applications (AI, Robotics, Graphics, Data Mining, WSN etc.). Emphasis is laid on enhancing students ability in analysis and problem solving, designing hardware & software architecture, algorithm design development in addition to nurturing their communication and management skills.

  - Provided that the students belonging to B.Sc. stream shall clear the subjects of Engineering Graphics/Engineering Drawing and Engineering Mechanics/ or equivalent of the first year Engineering Programme along with the second year subjects.

- M.Tech:
  - Passed with 50% marks (45% marks in case of candidate belonging to SC/ST) in B.Tech. or equivalent in relevant discipline.

Medium of Instruction
English
Established in 2013, the Department of Electronics and Communication Engineering aims to produce quality professionals to compete globally and excel by carrying out basic and applied research in emerging multi-disciplinary areas by forging strong industry-institute interaction. The Department has specialized, highly qualified and experienced faculty from the fields of Device Electronics, Signal Processing, Microwave and Optical Engineering, Wireless Communication, Embedded Systems and VLSI Design. Well-equipped laboratories with extensive practical work ensure the student receives a well-rounded education. The Department ensures to develop versatile skills in the students through workshops, short-term training programs and discussions.

The Department of Electrical Engineering has designed dynamic curricula to shape students for a continually changing industry. The department focuses on application-oriented teaching with live working projects and seminars. Visits to electricity-generation plants, sub-station visits and industrial trainings are integral part of the education imparted to students pursuing B. Tech, M.Tech in Electrical Engineering

### Courses Offered & Eligibility

- **Bachelor of Technology (B.Tech) in Electrical Engineering**
- **Master of Technology (M. Tech) in Electrical Engineering - Full Time**
- **Master of Technology (M. Tech) Solar Power Systems - Full Time**

**Duration**
- B Tech: 4 years
- B Tech (Lateral Entry): 3 years
- M Tech (Full Time): 2 years

**Eligibility**
- Passed 10+2 examination with Physics and Mathematics as compulsory subjects along with one of the Chemistry/Biotechnology/Biology/ Technical Vocational subject. An applicant should have secured at least 45% marks (40% marks in case of candidate belonging to SC/ST) in the above subjects taken together.
- Passed Diploma examination from an AICTE approved institution or equivalent with at least 45% marks (40% marks in case of candidates belonging to SC/ST) in appropriate branch of Engineering/ Technology.
- Passed B.Sc. Degree from a recognized University as defined by UGC, with at least 45% marks (40% in case of candidates belonging to SC/ST) and passed 10+2 examination with mathematics as a subject.
- Provided that the students belonging to B.Sc. stream shall clear the subjects of Engineering Graphics/Engineering Drawing and Engineering Mechanics/ or equivalent of the first year Engineering Programme along with the second year subjects.

- **B.Tech. (Lateral Entry)**
- Passed Diploma examination from an AICTE approved institution or equivalent with at least 45% marks (40% marks in case of candidates belonging to SC/ST) in the above subjects taken together.

- **M.Tech:**
  - Passed with 50% marks (45% marks in case of candidate belonging to SC/ST) in B.Tech. or equivalent in relevant discipline.

**Medium of Instruction**

The Department of Mechanical Engineering aims at training students to achieve excellence and efficiency with due emphasis on practical work. It also aims at tapping and channelizing students’ imaginative energy to enhance their productivity. Students are exposed to real industry situations through industrial visits and trainings. The department also boasts of its high placement record as a large number of students have been picked up by the leading industrial houses, academic institutions and government agencies in India and abroad.

The Department of Computer Science and Applications is a well-established and highly recognized department in the University both in terms of academics and students’ strength in its post graduate and undergraduate programmes. The department has regularly updated its curricula in accordance with UGC guidelines as well as latest advancement in the relevant fields. Majority of the teachers are keenly and productively involved in research and pedagogical advancement. The department not only focuses on nurturing both curricular and extra-curricular talent/skills of students but also makes an endeavour to play a vital role in the applications of computers by promoting innovative work in natural language processing, image processing, data mining, soft computing, machine learning along with software engineering, human-computer interaction, and intelligent systems.

**Medium of Instruction**  
English
The Department of Agricultural Sciences has designed dynamic and focused curricula as per the guidelines of Indian Council of Agricultural Research (ICAR) to produce trained human resources for academics, agro-based industry and extension-oriented applications. Students are inspired to interact with the farmers and participate actively in seminars, symposiums, conferences and workshops. The thrust areas of the department include multi-disciplinary research in the fields of agriculture and its allied ventures.

The department has highly qualified faculty with Doctoral and Post-Doctoral research experience in the contemporary areas of agriculture and allied sciences. Research projects funded by the Department of Science and Technology (DST) Government of India, are also in operation in the department.

*P: Physics, C: Chemistry, M: Mathematics, B: Biology, A: Agriculture

Prospectus 2019-20 30
The Department of Biochemistry has highly qualified faculty with research experience in diversified areas of biological sciences. Students in the program get excellent theoretical as well as practical training in various aspects of biochemistry.

The department is actively involved in research in the fields of genomics, protein biochemistry, structural studies, biomolecular interactions, and natural product drug discovery. The department has well-equipped laboratories for experiments in clinical, nutritional and diagnostics biochemistry.

Courses & Eligibility

- Bachelor of Science (B.Sc.) Hons in Biochemistry
- Master of Science (M.Sc.) Hons in Biochemistry

Duration

- B.Sc.(Hons) 3 Years
- M.Sc.(Hons) 2 Years

Eligibility

- B.Sc.(Hons)
  Passed with 50% aggregate marks (45% marks in case of candidate belonging to SC/ST) in 10+2 examination or equivalent with English, Physics, Chemistry and Mathematics/Biology.

- M.Sc.(Hons)
  Passed with 50% aggregate marks (45% marks in case of candidate belonging to SC/ST) in bachelor’s degree with Biological Sciences or equivalent.

Medium of Instruction

English
The Department of Biotechnology has designed curricula to develop well-trained manpower in Biotechnology for academics, research and industrial demands. Students are also inspired to participate actively in seminars, symposiums, conferences and workshops.

The department aims at multidisciplinary research in plant metabolic engineering, stress biology, disease resistance and molecular virology. The department has qualified faculty having doctoral and post-doctoral research experience and a focus on research in the current areas of Biological Sciences. The department is equipped with modern laboratories for quality teaching and research.

Courses & Eligibility

- **Bachelor of Science (B.Sc.) Hons. in Biotechnology**
- **Master of Science (M Sc.) Hons. in Biotechnology**

**Duration**

- B.Sc.(Hons.) 3 Years
- M.Sc.(Hons.) 2 Years

**Eligibility**

- **B.Sc. (Hons.)**
  Passed with 50% aggregate marks (45% marks in case of candidate belonging to SC/ST) in 10+2 examination or equivalent with English, Physics, Chemistry and Mathematics/Biology.

- **M.Sc. (Hons.)**
  Passed with 50% aggregate marks (45% marks in case of candidate belonging to SC/ST) in bachelor’s degree with biological sciences or equivalent.

**Medium of Instruction**

English
The thrust areas of the Department of Microbiology include enzymology, agriculture microbiology, fermentation technology, biofertilizers (PGPR), biocontrol of plants pathogens, and antimicrobial aspects of different plants sources on human pathogens along with antimicrobial sensitivity assessment of drug resistant human pathogens. The Department offers courses on general microbiology, bacteriology, microbial diversity, microbial physiology and metabolism, soil microbiology, environmental microbiology, industrial microbiology, food microbiology, immunology, medical microbiology and microbial genetics.

The department is equipped with modern laboratory to provide quality teaching and research opportunities for students. The department has the facilities like UV-Vis Spectrophotometer, Centrifuge, Refrigerator, Autoclave, Laminar Air flow, Water Bath, Hot Air Oven, pH meter, Electrical Light microscope, Bacteriological Incubator Shaker, Trans-illuminator, Weighing balance, Magnetic stirrer, Vortex, Dry Bath, Hot plate and Gel electrophoresis apparatus.

Courses & Eligibility

- **Bachelor of Science (B.Sc.) Hons. in Microbiology**
- **Master of Science (M.Sc.) Hons. in Microbiology**

**Duration**
- B.Sc.(Hons.) 3 Years
- M.Sc.(Hons.) 2 Years

**Eligibility**
- **B.Sc.(Hons.)**
  Passed with 50% aggregate marks (45% marks in case of candidate belonging to SC/ST) in 10+2 examination or equivalent with English, Physics, Chemistry and Biology.

- **M.Sc.(Hons.)**
  Passed with 50% aggregate marks (45% marks in case of candidate belonging to SC/ST) in bachelor’s degree with biological sciences or equivalent.

**Medium of Instruction**

English
The Department of Chemistry has highly qualified faculty graduated from premier institutes of country including Panjab University, Chandigarh, GNDU, IISERs, NITs, Central Universities and USA. The department has excellent teaching programmes at the graduation and post-graduation level. The department offers theory and laboratory core courses covering basic concepts in various sub-disciplines of chemistry (physical, inorganic, organic). Because of top-notch academic environment, both B.Sc. and M.Sc. students are able to get placement in pharma companies at excellent packages.

Courses & Eligibility

- Bachelor of Science (B.Sc.) Hons in Chemistry
- Master of Science (M Sc.) Hons in Chemistry

Medium of Instruction

English
The department aims to equip the students with in-depth knowledge of the subject so that students are able to pursue higher studies/research in Botany.

The department has highly qualified, dedicated and enthusiastic faculty. In addition to teaching, the faculty members are actively engaged in research and publication which adds to their academic prowess. The department provides student counselling to ensure their multi-dimensional development. The curricula focus on areas including plant structure, growth and development, plant molecular biology and physiology.

Courses & Eligibility

- Bachelor of Science (B.Sc.) Hons in Botany
- Master of Science (M.Sc.) Hons in Botany

Physics

The Department of Physics provides quality education. Key research areas of the Department include Theoretical Plasma Physics, Theoretical Nuclear Physics, Nonlinear Optics, Liquid Crystals, Thin films, Chalcogenides, Nanotechnology, Nanomagnetism, Photovoltaics and Space Technologies. The Department has well-qualified faculty with doctoral degrees from reputed institutes/universities such as IITs, NITs, PU, KUK, GNDU, TU and Canada. The department has been awarded national and international projects. The department has state-of-the-art lecture halls and four well-equipped labs for B Sc, M Sc and B Tech students.

Courses & Eligibility

- Bachelor of Science (B.Sc.) Hons in Physics

The department aims to engage young minds in creative and analytical thinking through literary studies, which would build a holistic and healthier human community. This aim is being achieved by creating space for interaction both for local and global issues. In view of it, the texts prescribed in the curricula are thoughtfully selected and taught through discussion, project work, and power point presentation. Students are encouraged to express their views on the questions at issue in order to help them how to think and speak their hearts and minds. Further, the department offers such courses as Communication Skills, Business Communication, Technical Communication, etc. These courses are designed mainly to train students in professional communication.

The department has highly qualified faculty, an advanced language lab, and a literary society to ensure the multifaceted development of students. It promotes interdisciplinary research and holds regular interactive talks on issues of socio-cultural importance.

The Department of Psychology aims at bringing together academicians, practitioners and students to provide them a platform to promote psychology as a vast domain for exploring the solutions of human problems. With mental health issues becoming a glaringly common ailment across all ages, classes, communities and gender, it has become imperative to include it in academics and practice.

The Department also prepares students to become resourceful professional psychologists, counselors, and mental health practitioners, who can effectively deal with psychosocial problems like anxiety, depression, stress, suicidal tendencies, etc. by dealing with all these problems, psychology promotes mental health and well-being by mainly discovering various causes of human behavior. The department promotes holistic Indian psychological approach towards enhancing physical and psychological health of human-beings by integrating scientific psychological principles with traditional Indian system of health.

The Department has a state-of-the-art laboratory of Psychology and well-qualified and experienced faculty. Catering to the needs of the present scenario, our curriculum focuses on theoretical as well as applied aspects of the subject.

### Courses & Eligibility

- **Master of Arts (M.A.) in Psychology**
  - **Duration**: 2 Years

- **Post Graduate Diploma in Counseling and Positive Psychology (P.G.D.C.P.P.)**
  - **M.A.**: 1 Year
  - **P.G.D.C.P.P.**: 1 Year

#### Eligibility

- **M.A.**
  - Passed with 50% aggregate marks (45% marks in case of candidate belonging to SC/ST) in bachelor's degree or equivalent in any stream.

- **P.G.D.C.P.P.**
  - Graduation or Post-graduation in Psychology with 50% aggregate marks (45% in case of candidates belonging to SC/ST).

#### Medium of Instruction

English
The Department of Education was established in 2018 to run four year integrated teacher training programme as approved by NCTE. At present the department is running courses for both Arts and Science students i.e. B.A.B.Ed. and B.Sc.B.Ed. The main focus of this department is to prepare competent teachers by nurturing their existing potentials and encourage them to develop knowledge, skills and value oriented mindset to serve the society. Further the curriculum of this programme provides a suitable blend between theory and practice. It also provides opportunities for field based work experience and internship to prospective teachers.

**Highlights of the Department:**
- Resource room cum Curriculum Lab
- Psychology Laboratory
- Language laboratory
- ICT Laboratory
- Music room
- Art room and Gallery
- Yoga room
- Smart Classrooms
- Departmental Library

**Career Possibilities:**
- Primary School Teacher
- Secondary School Teacher
- Counsellors
- Teaching Assistants
- Community Education Officer
- Education Administrator
- Education Consultant
- Special Education Needs Teacher
- Early Year Teacher
- Online/Private Tutor
- Career Adviser

The Department is a hub of activities focusing on academic and professional excellence and practical skills development and character building to produce leading professionals in media industry. The department is about blossoming the talent, nurturing the wisdom, sharpening the skills and developing a passion for effectiveness. Some of the highlights of the departments are:

- Strong academic-industry interface
- Media lab and studio for providing exposure to apply knowledge
- Summer internships in industry
- Placement support
- Research/Project work

Audio-visual Lab
The studio of the Department of Journalism and Mass Communication is equipped with the audio and video production equipment such as Teleprompter, Video and Still cameras, basic lights, Microphones, Tripod, Audio Mixer (MG12XU), Apple Mac, Lapel Microphone, Sony Microphones, and others. Students work with equipments to practice different journalism related activities.

- Students practice for News-reading and anchoring
- Students practice photography under different lighting techniques.
- Students practice for recording of radio programmes such as Entertainment programs, Radio discussion, Radio talk etc.
- Students also make documentaries on relevant social issues and editing process takes place in studio.

DAVUNICOMM (Campus Paper)
The department of Journalism and Mass Communication publishes a campus paper named ‘DAVUNICOMM’. This paper aimed at providing a platform to the students for better exposure in writing and editing. Student’s Editorial Team ensures the news gathering, reporting, photography and editing of the content under the supervision of teacher coordinators.

DAVUNICOMM Media Club
The department has formed a media club under which students organize various activities, events and workshops. Students are enthusiastic about organizing debate and discussion programs. They also organize writing competitions, photography competitions and other activities.
The main focus of the department is on the practical exposure to physical education in a learner-friendly atmosphere. The students have participated and won medal at national and international level.

The Department is committed to train students not only physically but also psychologically and emotionally and to prepare them to give their best in the contemporary competitive world. The department also organises educational tours/camps for students. The Department of Physical Education provides ample opportunities for students to improve their general health and fitness through activities and recreational classes. Most of the faculty members in the departments are PhD holders.

At present, our placement is 100%. The department is equipped with modern sports infrastructure. We provide opportunities to our students to practice with international level players. Our students practice at renowned sports centres like PAP, Jalandhar.

Our students regularly pay visits to DAV Physiotherapy and Rehabilitation centre for educational purpose. We have rich departmental library in addition to the main library of the university. The department students have access to playfields, gymnasium, judo-cum-wrestling hall and laboratory. There are varied job openings for our students as Physical Education Teachers, yoga, instructor, gym trainer, sports journalist, event organizer, fitness trainer, personal trainer, sports reporter etc.

Courses & Eligibility

- **B.Sc in Health and Physical Education**
  - **Duration**: 3 Years

- **B.P.Ed Professional Course**
  - **Duration**: 2 Years

- **M.P.Ed**
  - **Duration**: 2 Years

**Eligibility**

- **B.Sc. in Health and Physical Education**
  - Passed with 10+2 or equivalent from any recognized Board and the student will have to qualify compulsory Physical Efficiency Test (PET).

- **B.P.Ed Professional Course**
  - Passed with 50% aggregate marks in Bachelor's degree (any stream) or equivalent with at least participation in the Inter-College/Inter-Zonal/District/School competition in sports and games as recognized by the AIU/IOA/SGFI/Govt. of India or bachelor’s degree in any stream with 45% aggregate marks and studied physical education as compulsory/elective subject.
  - Along with the above mentioned criteria, the student will have to qualify compulsory Physical Efficiency Test (PET).

- **M.P.Ed**
  - Passed with 50% marks in the B.P.Ed degree or B.Sc. degree in Health & Physical Education (45% marks in case of candidate belonging to SC/ST).
  - Along with the above mentioned criteria, the student will have to qualify compulsory Physical Efficiency Test (PET).

**Medium of Instruction**

English
DAV University offers B.A.L.L.B. (Hons.) Five Years’ Integrated Course where under Social Sciences subjects like Economics, English, History, Political Science and Sociology are taught as major and minor subjects along with Law subjects in the first three years of study. From third year onwards, the curriculum comprises of Law subjects and one major subject. All subjects are compulsory in the first three years of study. However, in the fourth and fifth year, students are offered specializations in four streams, viz., Business Law, Criminal Law, Constitutional Law and International Law. The successful students are awarded Honours Degree with specialization.

The teaching methodology includes extensive and intensive class room teaching with emphasis on participative learning. The Courses include assignments, seminars and project work. The thrust of the course is not just on learning but also professional training.

- Fashion Designing
- House Keeping
- IELTS Coaching
- Digital Marketing
- Jewellery Designing
- Photography
- Videography
- Yoga & Wellness
- Soft-Skills

Duration
6 months

Centre for Competitive Examination: Personal and Professional Development

For overall development of the student and to prepare them for competitive examinations DAV University has its centre to provide coaching for IELTS, SSC, IAS/IPS, UGC NET/JRF, Banking Services and soft skill development by very senior and expert teachers at reasonable cost within University campus. This Centre functions during holidays and evening time so that students can enjoy the benefits of coaching in their extra time.

Note: The University will also offer the Value-Added Courses along with other academic programmes.
Documents Required for Admission

- Copies of all the certificates of the examinations passed from Matriculation onwards up to the class qualifying for seeking admission.
- Two passport-size photographs.
- Character Certificate.
- SC/BC Certificate issued by the Competent Authority (where applicable).
- Income Certificate of the father/mother (where applicable).
- Original Migration Certificate, Transfer Certificate duly signed by the Competent Authority.
- Affidavit, if there is gap in studies, duly attested by the Executive Magistrate/ or any other certificate covering gap.
- Copy of the Aadhar Card of the student.

**Note**
- The candidate must read the prospectus and the University rules before filling up the admission form offline/online.
- DAV University is authorized to allow provisional admission to its former students whose result in undergraduate (UG) examination has not yet been declared. If on declaration of result, a student fails to obtain requisite percentage of marks, his/her provisional admission will automatically stand cancelled.
- Failed candidates are not allowed admission to the University.
- Admission of students from another University/Board will be provisional and subject to confirmation of their eligibility by DAV University, Jalandhar.
- If the number of students in any course is less than ten, the University reserves the right not to run that particular course and the students will be allowed to shift to some other course.
- The candidate must carry all the original documents at the time of admission.
The academic year is divided into two consecutive (One odd + One even) semesters. The odd semesters are held from July to December while the even ones are from January to June or as decided by the University. The instructional period for each semester ends with End Semester theory/practical examination.

University has adopted Choice Based Credit System to provide flexibility in curriculum and assigns credits, based on the course content and hours of teaching as per the framework given by the UGC.

The discipline-wise Teacher Mentor is provided to students. Such a Mentor guides students till completion of the programme.

The University reserves the right to refuse admission to any applicant without assigning any reason.

The Vice-Chancellor has the right to cancel/reject admission of any candidate at any stage.

The student will seek re-admission every academic session.

The student will undergo the process of No Dues on completion of every semester.

Attendance in classes is compulsory. A student must attend 75% or more in each subject of delivered classes, in all the registered courses of theory (lectures plus tutorial) and practical (including workshops, training, seminar, projects, industrial training etc.) of the concerned semester including optional/specialization and elective courses.

A student who fails to attain 75% of attendance in any subject, he/she shall be detained from appearing in end semester examination of that subject and shall be awarded F grade.

Vice-Chancellor on the recommendation of subject teacher through HOD andDean (Dean Academics) may condone 1% of attendance in each subject in exceptional cases.

In each semester, the University is following Continuous System of Evaluation which includes following components of assessment:

- Mid Semester Examination: Weightage 25% (Question Paper of 25 marks of 1½ hours duration).
- Written Quiz (Objective Type MCQs) and Assignment and Project Work/Seminar (evidence based): Weightage 20% and is conducted at least fifteen days before the start of End Semester Examinations/Practical.
- End Semester Examination: Weightage 50% (Question Paper of 50 marks of 3 hours duration)
- Attendance: Weightage 5%
- End Semester Practical: Weightage 80%
- Continuous Assessment (Practical): Weightage 20%

To qualify for the grant of credits for a particular course, a candidate must get at least 40% pass marks. In case a course contains both theory and practical in a single course code, a candidate must get at least 40% pass marks in theory and practical together.

In case course code of theory and practical are different then the candidate has to pass separately in both practical and theory.

It is mandatory to appear for a student in End Term Examination and should score at least pass marks separately in each paper other than the marks obtained in other components of assessment.

In case a student fails in a particular course by not getting minimum of 40% marks, he/she shall be awarded ‘R’ grade in that course. In such case, a student shall be allowed to re-appear as under:

i. Reappear examination shall be conducted only for those students who are unable to attain minimum passing grade ‘P’, i.e. 40% in his/her last attempt of re-appear examination.

ii. The Reappear Practical Examination will be conducted only for ESE for those students who are unable to attain minimum passing grade, i.e. 40% till his/her last attempt of re-appear examination.

iii. In each semester the student shall be given chance to qualify the course in which he/she is having reappear grade within the maximum duration of the programme i.e. N+2 years.

iv. In each of the attempts, a student would be allowed to appear in re-appear examination by paying a requisite fee as per the University norms decided from time to time.

v. Re-appear examination shall be conducted in every semester in the month of September/October and March/April for candidates who are unable to get grade required to pass. The Reappear examination shall have the same template as that of ESE and the weightage shall be 100%.

vi. If a student gets re-appear in a course which contains theory as well as practical then he/she has to re-appear in theory examination only and marks/weightage of practical examination shall be carried forwarded till he/she passes the course will be kept as it is.

vii. Maximum Duration: The maximum duration allowed to complete a course will be 2 additional years across the Programmes irrespective of the normal duration of the programme. The student who fails to qualify the program within the maximum duration allowed. The Governing Body shall be authorized to review individual hardship cases where a student fails to clear all chances available and permit to him/her a golden chance.

viii. Chances for Improvement in Marks (Scores) – The students shall also be provided along with the reappear examination, chance for improvement in their earlier marks (scores). This would be available for all the courses. A student shall have to pay an improvement fee as per University norms decided from time to time. This chance however shall be offered along with reappear examination when that particular course is being offered. In case a student opting for improvement examination scores less marks than the previous, his/her original result will stand.
The University follows 10 point scale grading system of evaluation as recommended by UGC as per details below:

In addition, the following grading systems are adopted as per the contingency:

<table>
<thead>
<tr>
<th>Class Interval (Percentage)</th>
<th>Letter Grade</th>
<th>Grade Point</th>
</tr>
</thead>
<tbody>
<tr>
<td>&gt; 90 – &lt;=100</td>
<td>O (Outstanding)</td>
<td>10</td>
</tr>
<tr>
<td>&gt; 80 – &lt;=90</td>
<td>A+ (Excellent)</td>
<td>9</td>
</tr>
<tr>
<td>&gt; 70 – &lt;=80</td>
<td>A (Very Good)</td>
<td>8</td>
</tr>
<tr>
<td>&gt; 60 – &lt;=70</td>
<td>B+ (Good)</td>
<td>7</td>
</tr>
<tr>
<td>&gt; 50 – &lt;=60</td>
<td>B (Above Average)</td>
<td>6</td>
</tr>
<tr>
<td>&gt; 40 – &lt;=50</td>
<td>C (Average)</td>
<td>5</td>
</tr>
<tr>
<td>40</td>
<td>P (Pass)</td>
<td>4</td>
</tr>
<tr>
<td>Below 40</td>
<td>R (Re-appear)</td>
<td>0</td>
</tr>
</tbody>
</table>

In case candidate fails to turn up for scrutiny on time it will be presumed that he/she has no objection and will lose chance to scrutinize the paper in future.

The medium of instructions for teaching and examination is English.

Hostel Admission and Rules

Hostel Rules
Admission will be sought afresh every academic session.
Hostel dues as decided by the management will be payable for the whole year in three instalments as per schedule.
In no case shall the fee once paid be refunded.

General Rules
* It is compulsory for all the parents to attend two meetings.
* Outing is permitted twice a week, once on a holiday and second as per requirement only between 10:00 a.m. and 5:00 pm.
* Parents are advised to check the attendance of their wards both in classes and hostel.
* The University reserves the right to make changes in residential facility, room allotted and various provisions as and when required.
* Residents are advised not to keep excessive cash, jewellery or other valuable items with them.
* University is not responsible for any loss of cash or other belongings of students.
* Hostel Committee members are authorized to inspect the hostel rooms, bags, almirahs or any of the student’s personal belongings at any time during day/night as and when required.
* There will be checking of boarders’ bag at two points, one at university main gate and other at hostel entry gate whenever they enter the university.
* Possession and consumption of any kind of intoxicants/drugs will result in immediate expulsion from the hostel as well as the university.
* A boarder may be expelled from the hostel if he/she stays away from the hostel without permission or is found guilty of misconduct.
* Students are not allowed to stay in the hostel during autumn break, winter break or summer vacation.
* Student must vacate hostel room the very next day of the completion of exams.
* No meeting can be organised or held in university campus without prior permission of the Vice Chancellor/Registrar.
* Resident students are not allowed to take part in any kind of protest or strike. Any type of complaint can be sorted through dialogue with university authorities. Residents found guilty of causing indiscipline will be duly punished as decided by university authorities.
* In case of falling sick or having any sort of infection, disease or personal injury, the student shall inform the hostel warden/hostel manager and his/her parents instantly; and shall be liable to pay/reimburse for any expenditure incurred by the university and/or warden on his/her treatment for any illness or disease or personal injury.
* The ACs will be operational for specific timings only on all working days and for full time on Sundays and other holidays. Hot water supply shall be available during winter only for fixed hours as prescribed by the university.
* Residents will be held responsible for any breakage of furniture issued to them. Students are required to bring their own mattress, bed linen, door curtains, locks, buckets, mugs, dusters etc.
* Resident scholars must not disfigure the walls, doors and furniture of their rooms by pasting posters, writing or engraving anything on them. Defaulters will be fined heavily.
* Residents are not allowed to use any personal electric appliances. In case of any violation, the student will be fined Rs. 500/- and the appliance will be confiscated.
* Residents are warned against tampering with electrical fittings. If found guilty, penalty, as decided by the competent authority, will be imposed on them.
* Lights and fans must be switched off when not in use. Students found keeping lights on during their absence from the room will be fined Rs. 500/- for their negligence.
* A student shall maintain discipline & peaceful atmosphere in the hostel.
* Hostel students are not allowed to keep any personal vehicles.
* Day scholars are not allowed to enter the hostel premises so boarders should not indulge in inviting them.
* Only authorized persons as permitted by parents will be allowed to enter and meet the respective students.
* If parents/guardian and any other visitor wants to stay for the night he/she will be allowed only by the permission of the Chief Warden and other competent authorities of the university. If permitted, parents/guardians/visitors, while on campus, will ensure that they behave decently and in orderly manner. Any misbehaviour or unwarranted act on their part shall entitle the university to take any action against them and/or the student.
* Students are advised to carry themselves in a decent and dignified manner as far as dress code is concerned. The dining area remains a formal place of being together so they must dress accordingly.
* Ragging is a legal offence. The university has zero tolerance towards any attempt to harass newcomers. As per the hon’ble Supreme Court orders, defaulters will face punitive action.
Study hours will be observed from 9:30 p.m. to 12:00 a.m. After that the lights will be switched off.

Any student found absent from his/her room or moving around during the mentioned hours, will be viewed seriously.

The students shall themselves be responsible for the cleanliness of their rooms and must maintain general cleanliness in the washrooms as well as the hostel premises.

Students are not allowed to visit one another’s room after 10 p.m., the violation of which will invite strict action as decided by the university.

Any celebration (birthdays etc.) can be organized only with prior permission. In case of any complaint regarding non-adherence to discipline university authorities will take appropriate action against the concerned residents.

No resident can pass on the key of his/her room to other resident or an outsider. Any violation shall be viewed as a serious and punishable offence.

Any student found skipping classes and staying in hostel without permission of the hostel warden will be fined.

Action will be taken against the erring students who pass undesirable remarks about fellow students, indulge in physical and mental torture and show disobedience and non-co-operative behaviour.

**Attendance & Leave**

- It is compulsory for students to mark their attendance on daily basis or a strict disciplinary action will be taken including fine.
- All the students will report daily for Roll-Call in their respective hostels from 7.00 p.m. to 8.30 p.m. during winter session (November to February) and from 7.30 p.m. to 9.30 p.m. during summer session (March to October).
- A boarder will have to seek permission from the warden for any kind of absence from hostel. Filling of the leave application form before going home is mandatory for the hostel residents.
- If a resident remains absent from the hostel without permission from the concerned authority (Chief warden/Hostel Warden) or violates any rules/policies/guidelines/instructions, the university shall be entitled to take any disciplinary action against the student which includes rustication/suspension/withdrawal of residential facility or any other action as deemed fit by the competent authorities of the university.
- A boarder, before leaving the hostel for short/long period, shall enter the time of his/her departure in the Exit Register in the hostel as well as at the main gate. On return to the hostel, he/she shall mark entry of time of his/her return at both the points. Strict disciplinary action will be taken against students overlooking this rule.
- In case a resident scholar remains absent from classes in the university for seven days continuously without prior permission from the authorities, he/she will be asked to vacate the hostel.
- If any student extends his/her leave, the parents should inform the hostel-warden within 24 hours. Otherwise, serious action will be taken against the student.
- Warden can sanction leave for 4 days only. Any leave more than that needs to be sanctioned by the chief warden/Registrar.
- Medical leave will be sanctioned only if the regular doctor appointed for hostellers approves of it.
- Hostellers are not permitted to approach any other doctor for medical care other than the one appointed by the university authorities.
- The hostel gate will be closed at 6:00 p.m. The defaulters will have to face consequences whatsoever.
- The residents shall maintain their Leave Booklet. Any type of tampering with or damaging this official document holds them liable to penalty.

**Visitors & Guests**

- At the time of joining the hostel, the parents/guardian shall provide the details and photographs of visitors who may be permitted to visit their ward in the hostel and whom he/she may visit at their house.
- The resident scholars will be allowed to visit only those relatives who have been mentioned in their hostel admission form.
- Single male/female shall not be considered as local guardian. Only a married couple above 30 years is eligible to be the local guardian.
- Only those visitors whose photographs are pasted on hostel form will be allowed to meet the respective student.
- No Parents/Guardians (male/female) are allowed to go to the residents’ room.
- Parents will be allowed to stay in the hostels guest room (general) only on payment of Rs. 250/- per head/per day and will have to pay Rs. 150/-extra for meals per day.
- A day scholar is not permitted to visit or stay in the hostel without the permission of the chief warden/Registrar.
- In case of emergency, the chief warden must be contacted. Visiting in such cases shall be permissible only with prior permission.
Mess Rules

* Meals will be provided according to the menu duly approved by the competent authority.
* No wastage is permitted.
* Besides the hostel committee, a mess-committee of the students will be formed for the additional supervision in the preparation of hygienic food for students and to maintain discipline in the mess and hostel premises.
* In case of any complaint regarding the quality, quantity, serving and non-adherence to the approved menu, the matter should be reported to the warden/chief warden/hostel committee.

The timings for dining in the hostel must be strictly followed.

* Breakfast will not be served after 9.30 a.m.
* The timings for lunch and dinner are from 12.00 p.m. to 3:00 p.m. and from 7.30 p.m. to 9:30 p.m., respectively.

Mess timings and other rules fixed by the university authorities will be strictly adhered to by the boarders.

Residents will not be allowed to carry meals to their rooms. The meals must be taken in the dining hall. Only in case of sickness with the recommendation of the medical staff a boarder can be allowed to take meals in her room.

Non-vegetarian food is not permitted to be cooked or ordered/brought/eaten in the boarding house.

The university will not provide any special food or any other food which is not included in the hostel menu.

Directives of the Supreme Court of India issued on May 16, 2007

The Supreme Court of India taking up hearing several Special Leave Petition (SLPs) in relation to the menace of ragging in Technical Institutions/ Universities/ Colleges in India had constituted a committee headed by Dr R K Raghavan, former Director of CBI, for giving specific recommendations on effective prevention of ragging in educational institutions.

The Committee had carried out a detailed study on the various factors contributing to ragging and collected the public opinion on the issue. The committee had submitted a detailed report with suitable recommendations and measures required to effectively curb the menace. The recommendations of the Committee were duly accepted and the following directives have been issued to all the educational institutes for necessary implementation by the Court.

1. Factors enlisted by the committee:
   1. Primary responsibility for curbing ragging rests with academic institutions themselves.
   2. Ragging adversely impacts the standards of higher education.
   3. Incentives should be available to institutions for curbing the menace and there should be disincentives for failure to do so.
   4. Enrolment in academic pursuits or a campus life should not immunize any adult citizen from penal provisions of the laws of the land.
   5. Ragging needs to be perceived as failure to inculcate human values from the schooling stage.
   6. Behavioural patterns among students, particularly potential “raggers,” need to be identified.
   7. Measures against ragging must deter its recurrence.
   8. Concerted action is required at the level of the school, higher educational institution, district administration, university, State and Central Governments to make any curb effective.
   9. Media and the Civil Society should be involved in this exercise.

II. Recommendations approved by the Supreme Court.

1. The punishment to be meted out has to be exemplary and justifiably harsh to act as a deterrent against recurrence of such incidents.
2. Every single incident of ragging where the victim or his parent/guardian or the Head of institution is not satisfied with the institutional arrangement for action, a First Information Report (FIR) must be lodged without exception by the institutional authorities with the local police authorities. Any failure on the part of the institutional authority or negligence or deliberate delay in lodging the FIR with the local police shall be construed to be an act of culpable negligence on the part of the institutional authority. If any victim or his parent/guardian of ragging intends to file FIR directly with the police, that will not absolve the institutional authority from the requirement of filing the FIR.
3. In the prospectus to be issued for admission by educational institutions, it shall be clearly stipulated that in case the applicant for admission is found to have indulged in ragging in the past or if it is noticed later that he has indulged in ragging, admission may be refused or he shall be expelled from the educational institution.
4. It shall be the collective responsibility of the authorities and functionaries of the concerned institution and their role shall also be open to scrutiny for the purpose of finding out whether they have taken effective steps for preventing ragging and in case of their failure, action can be taken: for example, denial of any grant: in aid or assistance from the State Governments.
5. Anti-ragging committees and squads shall be forthwith formed by the institutions and it shall be the job of the committee or the squad, as the case may be, to see that the Committee’s recommendations, more particularly those noted above, are observed without exception and if it is noticed that there is any deviation, the same shall be forthwith brought to the notice of the Court.
6. The Committee constituted pursuant to the order of this Court shall continue to monitor the functioning of the anti-ragging committees and the squads to be formed. They shall also monitor the implementation of the recommendations to which reference has been made above.

III. Action to be Taken by the Institute

1. Formation of Committees and Squads:
   - Complying with the directives of the Supreme Court of India, the Institution will form the following Anti-ragging committees and squads for overseeing the implementation of the provisions of the verdict with immediate effect:
   - The Institution level Anti-ragging Squads and Hostel level Anti-ragging Squads shall work in co-ordination with the Institution level Anti-ragging committee and oversee the implementation of the recommendations.

2. Undertaking from Students and Parents
   - Each student of the Institute and his/her parents and, or Guardian are hereby required to submit a combined undertaking at the time of registration, in the prescribed format as attached to this order, which is mandatory for registration. All concerned officials of the Institute, students, parents and guardians of the students, members of Anti-ragging committees and Anti-ragging squads are hereby requested to adhere to the stipulations and effectively monitor and comply with the provisions made in the directives.
